Her name was Jackie, 'could've been mine

**Bm G A to A-**  
But I let her go, in her own time

**Bm G A to A-**  
Her name was Jackie, 'could've been mine

**Em G A to A-**  
Oh Jackie, come back for me

**Bm G A to A-**  
Her love for me, began as a secret

**Bm G A to A-**  
This English girl, with bright auburn hair

**Bm G A to A-**  
But then she told me one night, head upon folded arms

**Bm G A to A-**  
And her eyes of blue, looking up into mine

**Em G A to A-**  
Oh Jackie, come back for me

**Em G A to A-**  
Oh Jackie, please come back for me

**Bm G A to A-**  
Catching my breath, looking upon you

**Bm G A to A-**  
My fool's heart, skipping a beat

**Bm G A to A-**  
But I thought you were wild, how wrong can I be?

**Bm G A to A-**  
We were meant for each other, but I couldn't see

**Em G A to A-**  
Oh Jackie, come back for me

**Em G A to A-**  
Oh Jackie, please come back for me
