Am DM
In a damp old artice blue castle

Am7 DM
Somehow, somewhere

Am DM
Dwells a sad old, lonely minstrel

Am7 DM
Who waits for her there

Am DM
Strawberry hair,

Am7 DM
between the worlds

Am DM
Search in despair,

CM **DM**
Come, come, to me my love

CM **DM**
I fear by twilight, unseen

A love that's never been

Her gentle tears like autumn's leaves

Am7 **DM**
And long to hold her near

 Strawberry hair,

between the worlds

Search in despair,

Am DM **Am DM**
oh – oh, ah – ah
