

G **C**
Things are not as they seem

A7 **Am** **Em**
Sleep by my side and dream

A7 **Am** **Em**

A7 **Am** **Em**

A7 **Am** **Em**

A7 **Am** **Em**

A7 **Am** **Em**

A7 **Am** **Em**

Another time, another day

A7 **Am** **Em**

I'll make sure that you will stay

A7 **Am** **Em**

Sleep forever, here with me

A7 **Am** **Em**

Tragic love, eternally

G **D**
Close your eyes and dream

G **C**
Things are not as they seem

A7 **Am** **Em**
Sleep by my side and dream

G **D**
Close your eyes and dream

G **C**
Things are not as they seem

A7 **Am** **Em**
Sleep by my side and dream

A7 **Am** **Em**
Here at my side and dream

A7 **Am** **Em**
Stay by my side and dream

A7 **Am** **Em**

A7 **Am** **Em**
Another time, another day

A7 **Am** **Em**
You can trust me all the way

A7 **Am** **Em**
Another day, another night

A7 **Am** **Em**
And I'll tell you it's alright

A7 **Am** **Em**

A7 **Am** **Em**
